PRODUCT OVERVIEW

Self Leadership Collaborative Online

Six-week digital learning journey with weekly live virtual sessions.

Want to achieve your goals more quickly? Live up to your potential? Get ahead at work?

A brighter future is waiting for you with Self Leadership Collaborative Online: a six-week online course that gives you the tools to create a tomorrow to your liking.

Self Leadership Collaborative Online is a learning journey that teaches the mindset and skillset you need to become a proactive self-starter. You'll learn how to:

- Ask for the direction and support you need to attain mastery faster.
- Engage and commit to improve performance.
- Hold yourself accountable for achieving goals and successfully executing your organization's initiatives.
- Overcome constraints that limit your ability to solve problems, address challenges, and develop innovative solutions.
- Feel the satisfaction that comes from doing great work.

With the right mindset and skillset, you can speed your development, overcome constraints, and achieve your goals.

Become an empowered self leader. Then get ready to get ahead.

WHAT WE HEAR FROM PARTICIPANTS

"It helps me to focus on the important things, collaborate with others, stay connected to my boss..."

"I learned that having a mindset to be proactive can push you past your procrastination or avoidance to take action on things that you fear..."

WHO IS SELF LEADERSHIP COLLABORATIVE ONLINE FOR?

Anyone seeking to be more productive and satisfied at work.

Independent contractors, small business owners, individual contributors, managers, and senior leaders

LEARNING JOURNEY OVERVIEW

Here's the journey you'll take to become an empowered self leader.

Your transformation happens in a collaborative, moderated class that takes place over six weeks.* Self-directed learning blended with discussions, exercises, reflection, and offline assignments help you discover what you need to succeed.

You'll also have the opportunity to network with your fellow learners and forge new connections.

Each week is capped by a live virtual event led by Blanchard's leadership experts. The virtual events are scheduled at two global-friendly time slots, so one is sure to fit your schedule.

You'll receive the following tools when you take the class:

- Perceptions of Self Leadership Self-Assessment
- Perception of Self Leadership Manager Questionnaire
- One on One Conversation Planner
- Goals Planner
- Conversation Starters
- Diagnosing Reflection Tool
- SLII® Mobile App
- Points of Power Chart
- Checklists on how to:
 - Lead a Conversation
 - Improve My Goals
 - Sell My Solution
 - Get My Boss to Stop Micromanaging Me

Invest in yourself. And get ready to succeed.

**The approximate time required to complete this self-paced digital program is 12 hours, or 2 hours per week (1 hour attending a live virtual session and 1 hour for completing activities).*
