PRODUCT OVERVIEW

SLII[®] Online

Unparalleled Leadership Training 24/7

Unrelenting change. Remote teams. Unexpected challenges. It's a new world out there.

SLII[®] Online, the online version of the most widely taught leadership model in the world, was built for these uncertain times. Created for a dispersed workforce that needs just-in-time learning, SLII Online teaches leaders how to provide just the right amount of direction and support to help their team members succeed—anytime, anywhere. Develop competent, self-reliant contributors who deliver faster results. Build meaningful connections that inspire exponential impact.

A flexible and modular solution, SLII Online uses microlearning to teach the core concepts of SLII. These short activities let your managers learn when they have a spare moment or in a moment of need, 24/7. Since the content is engaging and interactive, learners remember and use the skills long after the training is finished.

SLII CLICKS

SLII® Clicks are micro-activities to help managers and supervisors become situational leaders and partner with those they lead. Learners can access topics during moments of need. Clicks range from 1 to 5 minutes each. The playlist includes videos, interactions, and worksheets.

SLII ONLINE PROGRAMS AND DEBRIEFS

3 HOURS • 1- TO 5-MINUTE

SLII Online teaches your managers and supervisors the essentials of SLII: goal setting, diagnosing development levels, and matching leadership styles to development needs. Practice opportunities follow content, ensuring the material is learned. Content is chunked into exercises ranging from one to five minutes, which can be completed in a total of three to four hours. Manager-led debriefs in between modules allow peers to come together to discuss learnings, share success stories, and practice new skills.

SLII ONLINE OVERVIEW

35 MINUTES • 1- TO 5-MINUTE

This SLII Online overview module teaches managers and supervisors the key points of SLII. It can be completed in 35 minutes.
